Sometimes it takes almost as much nerve to write what I think I should as it does to march into a mob of Jew terrorists in public demonstrations.

This item in the ROCKWELL REPORT is just such a case.

It takes a certain amount of nerve for me to pontificate on the subjects of women and child-rearing in view of the fact that I have loused up two marriages and never get to see my own kids.

Nevertheless, and in spite of these circumstances, I believe I have something to add to the general fund of human knowledge in this field. As already mentioned, it takes a certain kind of nerve to state that one is an expert on anything and particularly on how to win the love of women and children and how to handle these creatures.

In spite of the charges that I am boasting, therefore, which I am not, I will state bluntly that I have been more than commonly successful in winning wifely love and the devotion of my children at the same time I was able to maintain stern discipline in the family.

Why do I expose myself to the inevitable ridicule and criticism for making such a statement?

The answer is that I believe it is the same art which wins and holds the love of a female, the devotion and obedience of children--and the self-sacrificing following of dedicated men. And, in the last analysis, it is the same quality which enables one to lead a successful mass movement.

That quality, sometimes called "leadership," is an artful combination and alternation of love and naked force. Too many men fall victim of the pernicious idea that one or the other of these tools of leadership is all important. Most of the husbands, fathers and would-be leaders I have met and observed by the thousands, are either brutal and over-bearing or are weak and trust too much to "love." Both kinds of men--the brute and the hen-pecked weakling--are failures in love, child-rearing and leadership, and both are painful to observe. However, at least it can be said for the brute-type that he is acting more in accordance with nature.

The successful lover, husband, father and leader, on the other hand, neither attempts to be brutal or domineering nor one of the wishy-washy apostles of peace, brotherhood and "love."

The basic cause of the sky-rocketing juvenile delinquency and criminal activity among our people is caused not so much by social pressures, lenient punishment and other factors--although these have a definite bearing--but by fathers who are either domineering, un-loving brutes or cringing toadies to their wives and children who explain their cowardice and lack of leadership as "family democracy" and "love."

In a natural situation, a young boy would see his father being stern, strong and perhaps even rough at certain times in family life, and loving, gentle and tender at other times. From this, the young boy would have his own example of how a MAN should act.

However, the Jewish, Marxist passion for equality and democracy has just about emasculated most husbands and fathers so that they are afraid to "let themselves go" and obey their healthy instincts to act like a father and leader--with either strength or warm love. With the modern Jewish preoccupation with Freudian psychology and introspective obsessions, the modern male becomes more and more frustrated in the roles demanded of him until finally he is driven either to the extreme of brutality or of ever-loving weakness and effeminacy.

The basic art of being a man can be seen and understood most simply and clearly in the basic physical relationship between a male and female. Here, utter selfishness and brutality produces in the female disgust and hatred, while supine weakness and cringing lack of aggressiveness can never win her love.

Strange as it may seem to say so, I believe that the exact same art of a mature man, who is successful in this basic physical relationship, is precisely the art required of a great leader.

In short, the mathematical formula for success as a man, a lover, a husband, a father, a boss or a leader, can be expressed: L + F = M --Love plus Force equals a Man.

It is failure to understand this simple, natural and fundamental truth which has produced such an overwhelming number of semi-male creatures in America. Once again, I am forced to outrage some of our readers when I say that I truly believe the reason so many young white women willingly give themselves to savage black Negroes, is not because the Negroes are so much better lovers--but because most Negroes are forced to engage in hard physical labor and fight hard to survive, so that they are not weak and effeminate as so many of our white men today. Young women long for virile, masculine men as nature intended and when the cannot find them among their own race, they fall prey to another.

Women, children and masses seek LOVING STRENGTH. He who provides this loving strength will find himself easily able to win and hold the love of all three--women, children and masses of human beings. He who is a brute and a tyrant may succeed temporarily, but the healthy instincts of all three will sooner or later reject and destroy the bully.

And he who is a cowardly democratic weakling--whining about "love," "peace" and "brotherhood" will not win even a temporary gain. Regardless of the phony sympathy and adulation whipped up for emasculated, pansified male weaklings by the Jews and Communists, these disgusting creatures are thoroughly hated by the healthy masses of our people.

All of this is leading up to a basic philosophy of the American Nazi Party and the reason for our tactical approach.

Right now, America needs MEN and LEADERS more than ever before in its history.

The Jewish Communists and "democrats" have purposefully bred up millions of sniveling weaklings and installed the worst of these as our "leaders."

In spite of all the Jewish propaganda and build-up, there is no fatherly, LOVING STRENGTH in the Kennedys, Goldbergs, Salingers, etc., or any of our other "leaders." The nearest thing we have to what I am talking about is General Douglas MacArthur--and he has been tossed in the political ashcan.

We are thus operating in a vacuum. Although they do not consciously realize it, America's masses are longing for stern, but loving leadership, such as was supplied by the early founding fathers and that could be supplied, for instance, by a man like Douglas MacArthur.

Above everything else, therefore, we are consciously building up in the minds of Americans an image of impregnable strength. In an age when almost everybody knows it is almost "suicide" even to mention the word "Jew" in anything except the most disgusting flattery, we have been openly preaching the gassing of millions of those who are Communist traitors according to the Constitution, and openly declaring our admiration for Adolf Hitler.

They call us "punks," "two-bit Hitlers," "hate mongers" and a lot of other smear words.

But one thing they never call us, is weaklings or cowards. In fact, the Jews play directly into our hands by painting us even stronger and more fearful than we are.

A truly great leader, George Washington, said, "Let us raise the standard to which the wise and honest may repair."

While the conservatives have been talking platitudes and running desperately away from the Jews and finally following the Jew Goldwater, we have erected a shaft of steel in the American political scene which all the mighty force of international Jewry has not been able to blast or beat down. At the top flies our standard, the Swastika banner of the White Man!

We, alone, of all the contenders on the American political scene, both left and right, embody and practice the ageless formula of human leadership--loving strength.

No matter how we are blasted and appear to be hated, the heroism and loving strength of the young leaders we are training here will inevitably win the love and support of our leaderless people.

To end this piece, I will append one more fact which may seem like an anticlimax, but which beautifully proves all that I said before.

Women are swarming around the Party, until they have become one of the most dangerous problems we have. Healthy young females sense in our American Nazi stormtroopers that which is so sadly lacking in the Judaized, Negroid, beatnik, stoop-shouldered, physically-weak and purposeless American youth.

What now attracts the women and girls, will inevitably win us back our White, Christian American Republic.

Not Red! Not Dead! *DEAD REDS!*

THE KOSHER FOX

WHEN THE ELEPHANT TRIES TO BEAT THE FOX, HE MAKES OF HIMSELF AN ASS ...old Nazi proverb.

Nature gives every creature its own peculiar gift in the struggle for survival.

To the elephant goes a tough hide and gargantuan strength.

To the tortoise goes a built-in fortress of shell.

To the chamelion goes the ability to change color to blend with the background. Even the rabbit is protected in the species by its ability to procreate faster than it can be killed. And to the little fox goes a genius in trickery.

It is the same with different varieties of humans.

To the Negro goes a fleet foot and a hard skull.

To the Chinaman goes an ancient patience.

To the Nordic goes a bold and aggressive fighting spirit.

And to the little Jew, nature gives the qualities of the sly fox.

When the elephant tries to dodge and dissemble to out-fox the fox, he insures failure. And when the Aryan White Man tries to out-Machiavelli the sly Jew-boy, he makes an even worse show of it.

Last year, City Manager Mitchell of Newburgh, discovered that his town was pouring out its money to take care of a growing horde of lazy Negroes who were coming to Newburgh just to get on relief. In doing this, he was thwarting the Jewish power machine, which keeps the whites neatly divided into Republicans and Democrats who cancel out each others' votes, while the Jews and Negroes vote as a BLOC holding the balance of power. And for this reason, it seemed the whole world turned a flip-flop over the mayor's courageous and honest action in insisting that all able-bodied men on relief must WORK.

Charlie Smith, the heroic, 78-year-old editor of the racist paper, the "Truth Seeker," went up to Newburgh personally and alone to help the mayor by passing out sheets exposing the Jewish "brotherhood" scheme.

But the mayor didn't appreciate Charlie's help. Charlie told the anti-Jewish truth, horror of horrors! So the mayor had white-haired, gentle old Charlie ARRESTED and thrown in jail, and our Captain Seth Ryan had to go get him out.

Thus the mayor thought he had placated the Jews.

But, like the elephant trying to out-smart the fox--he was only making an ass of himself.

Now the Jews have got the mayor GOOD!

Two kikes from Monticello, New York, have framed him up for taking a $ 20, 000 "bribe."

For those fortunate enough never to have set foot in Monticello, New York, we must explain that this disgusting place is more like a Kibbutz in Israel than anything faintly recognizable as an American town. It is SOLID Kosher, with Jew signs on all the stores, a listing of dozens of synagogues on the town bulletin board, Grossingers transplanted lower-East-Side of New York nearby, and the streets crawling with the most repulsive speciments of ugly, purple-lipped, baggy-eyed, hook-nosed Hebes in the world. Even Israel would hide some of these creatures from tourists.

From this Yiddish cultural water-closet have come forth these two Kosher knights-errant to slay the redoubtable City Manager of Newburgh for daring to lay a hand on the trained cannibals of Israel.

And, once more, we have the sad lesson which the Gentiles just WON'T learn.

There is hardly a politician alive who doesn't know about the Jews.

Some of the politicians are brave enough to fight the "niggers" and reds--but not ONE of them, since Bilbo, Huey Long and Rankin dares to expose the REAL culprit BEHIND the reds and "niggers,"

has named the JEW!

As a result, ALL our current crop of politicians are acting like the elephant trying to outfox the fox.

First it was Joe McCarthy. He was set up by Baruch, advised by Sokolsky, and staffed by Cohn and Shine--the latter two Hebes being the ones who got him into the "fight" with the Army over the "drafting" of Mr. Cohn (Cohen)

Then it was Trujillo. When he was getting desperate about the way he was being shovelled out of the way in the world press, I had a long talk with his ambassador here and told him exactly what the Jews had in mind for "the benefactor." He agreed, but said it would be "suicide" to openly fight the sacred Jews. Instead, they went and hired MORRIS ERNST as their attorney--a Jew with a pinko record which would stagger even Adlai. So Mr. Trujillo's campaign was unsuccessful, and he got shot.

Batista likewise insisted on playing cozy with the Jews, and he TOO got the business.

I remember when the "conservatives," whom I had just joined, were whooping it up for Eisenhower, saying he was certainly better than Truman! --More of the same story.

Now the same dunderheads are chasing after the Jew, Goldwater--and I found the "conservatives" in the South ready to fight to the death for this Hebrew, EVEN THOUGH HE WAS AND IS A MEMBER OF THE NAACP!

I know the old whispers about "Let's get in FIRST--then we will turn on the Jews, when it is safe!"

How long does it take for our people to LEARN a lesson?

EVERY POLITICIAN WHO HAS SOUGHT TO FIGHT THE JEWS BY NOT FIGHTING THEM HAS BEEN POLITICALLY AND OFTEN LITERALLY SLAUGHTERED.

Happily, the people themselves are getting SICK of this tricky business.

The common people are sick of slick politicians, slick "conservative" groups, slick anti-communists, and slick patriots. With the sure instincts of nature, they are tired of playing the fox when their souls are those of lions.

The Aryan White man, especially the Nordics, are a BOLD RACE OF CONQUERORS--not sneaks. When we stoop to sneakery and try to compete with the master-sneaks of all times--the Jews--we are doomed to failure and dispair--just what we have now.

Only when the White Man stands forth in his terrible majesty as a bold and heroic FORCE can he master the earth, as did our mighty forefathers. The false whiskers, the sickly smile of hypocrisy and the knife behind the back are for weaklings, cowards and Jews--not White Men.

Let the City Manager of Newburgh be the last lesson we need to stop the games and wishful thinking about the Jew and his evil ways. Let us take up the sword of righteous wrath and lay about us HONESTLY and FEARLESSLY.

THEIR OWN MEDICINE

There is a certain ineradicable instinct for revenge in all men. Civilization suppresses at least the overt expression but cannot eliminate the secret feeling of exultation in one who has been viciously and unjustly wronged when he sees his tormentor brought low.

Such is my feeling upon seeing the latest lying masterpiece of the Jew movie industry, "The Manchurian Candidate."

Without going into detail, I can say that this film cleverly insinuates the diabolical idea that Joe McCarthy was actually an agent of the KREMLIN, working secretly to divide and destroy America!

Having suffered bitterly myself at the hands of almost all the rest of the right wing from this kind of crazy but efficient lie, I can imagine the effect of "The Manchurian Candidate" on the innocent millions of gullible Americans will will see it. The idea that radical right wingers and anti-communists are actually "provocateurs" sent by the Kremlim will cleverly insinuate itself into the minds of viewers while they are ABSORBED IN THE STORY OF THE PICTURE, and most of them won't realize what is happening.

I can't say I am happy about this vicious destruction of the American power of resistance to the Communist-Jew subversion of our mass mind.

But I CAN say I am glad to see that the "chickens have come home to roost" on Billy James Hargis, Buckley--and the rest who have so cruelly preached that WE are "agents provocateurs" of the Kremlin!

These jealous liars who attack their own kind have actually handed to all our deadly enemies the very weapon which they now use against the whole right wing. I am sorry to see more lies being pumped into Americans, -but maybe it will teach the liars a lesson they badly need.

The South, Jews and Nazis

When we were in college, my brother got a job at a tough dance hall as a bouncer.

Since he was no hercules, I was in considerable apprehension when he went to "work" the first night. The gang at the dance hall carried knives and was as "bad" as they come. How would my 97-pound-weakling type brother deal with the worst of these drunken hoodlums?

He came home full of bouncy success.

When I gasped in astonishment that he was still alive, and asked how he did it--he taught me a lesson I have never forgotten.

"Whenever I found a dangerous drunk acting up," my brother explained, "I just went and found another one just as drunk and just as bad. Then I went up to each one in turn, explained that the other was causing trouble, and asked for help. They threw each other out and beat each other up, in the bargain."

This is a lesson the Jews learned six thousand years ago and have never forgotten. They are too feeble to fight their own battles, so they always get US to fight EACH OTHER for them.

John S. Tilley has written a brilliant little booklet called "Facts the Historians Leave Out"--"A Youth's Confederate Primer"--which shows how ROTTEN have been the lies told about the South in the Civil War--and EVER SINCE!!!

After reading this little-known book, for instance, I knew for the first time that Fort Sumpter was a trap consciously laid by Lincoln to FORCE the South to fight--just as Pearl Harbor was a trap laid by Roosevelt to force the Japs to war.

Most Southerners know and resent the way they are regularly, systematically and viciously LIED ABOUT in magazines, movies, TV, pocketbooks, newspapers, etc. A lot of Southerners surely realize that these lies are coming from JEWS.

And yet these SAME SOUTHERNERS are taken in by the Jew liars about their own ideological and racial brothers--the Germans who also stood up for the White Race and lost--just as did the gallant South!

The Jews got exposed and BEATEN in Germany, when the Germans woke up to the Jewish plundering and racial defilement of its people. So the Jews came and got all the rest of us to go and whip the daylights out of Germany--using LIES as goads. They are STILL AT IT, and the movies, TV and all the other media of public information and entertainment reek with Jewish propaganda showing how VILE were the Nazis.

The tragic, unbelievable thing about it all is that the same Southerners who suffer so bitterly from the Jew lies about the South--are also some of the most fanatic believers in the Jew lies about their fellow anti-communist racists, the Germans! As I traveled through the South, I found many of the BEST TYPE White Men full of Jew-brewed HATE of the Nazis who first fought for the SAME THING the South stands for--the WHITE MAN, and RACIAL PURITY!

Perhaps even more pitiful are the would-be leaders of the South, most of whom know all too well how BOTH the South AND the Nazis are victims of the same Jew lies--but who are so deathly afraid of the Jew liars that they GO ALONG with them, and curse Hitler--just as some miserable Southern cowards probably cursed Jeff Davis and Robert E. Lee after the Civil War, just to be "smart" and gain political power.

As I read the "Confederate Primer," which I heartily recommend to all, I realized more than ever that World War II was only another battle in the SAME WAR we fought in 1865! Once again, I myself was forced to be on the side of mass and equality against elite character and QUALITY. And I personally was on the "winning" side. But I LOST! The South fought gallantly against impossible odds for RACE and QUALITY. So did Germany. Both the South and Germany are therefore pilloried forever in the Jewish press for their "slavery" and "hate."

How long will it take for the South to realize that the Confederates were the ELITE of American Society, just as the NAZIS were the ELITE of Europe? And how long will it be before the Southerners realize how the Jews are getting them to do to the Nazis, just EXACTLY what the Jews have gotten the "Yankees" doing to the South?
